Bill Nichols, General Counsel, OMB, has sent us a copy of the proposed regulations to be issued regarding garnishment of Federal employees wages. OMB is not looking favorably on our request for authority to issue our own regulations. DOD and HEW also requested this authority, but apparently nobody is going to get it. Nichols feels these regulations "will permit us to continue to handle our special problems in the usual way." It does not appear to me that the regulations give us any breaks, but I would appreciate your official views on this point as soon as possible. Thank you.
